

# DINESH D

## OBJECTIVE

As a motivated and detail-oriented software engineering fresher, I'm eager to start my career through an internship or entry-level role. I'm excited to contribute to real-world projects, learn from experienced professionals, and grow as a developer. With a passion for technology and a strong problem-solving mindset, I'm ready to bring energy, creativity, and dedication to any team I join.

SSLC (2020) - 87%

## PROJECT

### 1. Smart Web Portal for Semester Result Management.

- Built a web portal for managing semester results using HTML, CSS, JavaScript, PHP, and MySQL.
- Students can securely view results, while admins can add, update, and manage records.
- Designed a responsive interface and optimized database queries for better performance. Added authentication and validation to ensure data security.
